

Press Release

We are having a heritage weekend in Rougham on July 29th and 30th.

This is the first time we have ever had such a weekend and so we hope that it will really buzz.

Rougham is a remarkable village where there has been very little change in the last hundred and fifty years.

We would like to celebrate the spirit of this unique Village where the past and the present compliment each other,

There will be a Village Trail packed with fascinating facts and social history, also a wonderful collection of old photographs to browse through.

An opportunity to hear the 'Rougham Talk' given by Christine Blakemore in the beautifully decorated church.

'Mrs Ward' and her sister Rose will be in Wild Thyme Cottage with their popular song and music performance.

Stalls - produce, jumble, bric-a-brac etc,

Street games, country dancing and lots of tea and cake in the street.

Please come and enjoy time packed with history and fun.

For more details and an opportunity to photograph some of the treasure that will be on show at the weekend. Please email or ring.

Many thanks
